4. All salary schedules are posted on the district website on the HR page
5. Why do we only give VAPA students a pass/no pass? It seems PLT work aligns with an actual grade.

Announcements:**October 18 - No Kings II**

The upcoming national coordinated day of action, No Kings Protest, is a crucial event that will take place on October 18th. I've included four graphics that I received from Indivisible Sonoma County, along with the details.

You can [click here for the RSVP page](#).

There will be two marches in Santa Rosa, one at 9:00 AM from Santa Rosa Junior College and one at 10:00 AM from Julliard Park. These marches will converge for a rally at Doyle Park at 11:00 AM, symbolizing our unity and

shared purpose, and I look forward to seeing many of you there.

CTA's Political Academy North

Early Registration for CTA's Political Academy North is now open until the end of the year. Please identify and pick two individuals to represent your chapter. Our goal as chapter leaders is to develop a bench of members who are ready to step up and assume leadership positions in the future. We need our Generation Z teachers to join and be present in the fight to save public education from the federal government cuts and attacks.

I've attached a PDF flyer with FAQs and active links, which you can share with your members to help them register. The upcoming Prop. 50, Prop., Prop 55, school board, bond measures, and county superintendent, and other races will have a significant impact on our quality of life as educators. We need your leadership and support to identify high-quality educators who will carry the torch for the next generation. Please encourage two members to attend as a team from your local.
