Agenda:

Call to Order

President's Report:

Negotiations Update: WDEA and WUSD are extremely close to reaching an agreement, including an increase to the benefits cap and restructuring the salary schedule, hours, and safety. Jeremy is currently working on some items with extra-duty MOUs and the school board. I expect to have things go to a ratification before winter break. We will hold in-person meetings to review the details of the tentative agreement and answer questions once we have a TA.

Approve [Meeting Minutes](#) from October.
